### *Changes for Customers*

**Madison-** The Department of Highway Safety and Motor Vehicles wants to advise the public of upcoming changes to your local driver license office.

In Madison County, the driver license office located at 2348 West US 90 will close on Thursday, June 26, 2008. There are several offices available for customers who may need one. The first is located at 500 West Walnut Street in Jefferson County. That office is run by the Jefferson County Tax Collector. Another option will be with the Taylor County Tax Collector located at 2275 US 19 North. Please note that these offices charge an additional fee of \$5.25 per driver license transaction. In Tallahassee, customers can go to the driver license office at 504 A Capital Circle SE. Employees at the Madison office will be transferred to other driver license offices to continue offering exceptional customer service.

“The Department wants to encourage customers to skip the trip and get their driver license business done online at [www.flhsmv.gov](http://www.flhsmv.gov) where various online services are available. Here, customers can renew their driver licenses, identifications cards, vehicle tags and change their address,” the Division of Driver Licenses Director Sandra Lambert. “If a customer has received notification from the Department that they will have to come into an office, they can make an appointment at <http://oasis.hsmv.state.fl.us>. Making an appointment can be a time saving tool for customers.”
